

## Quality Policy

Based in the South West of Western Australian, Cable Force is a leading provider of quality utility assets and networks supply and installation services.

Cable Force aims to provide a service which achieves an outstanding level of client satisfaction by:

- Fully understanding, planning and conforming to the agreed requirements of our clients
- Compliance with relevant statutory regulation and other applicable requirements
- Recruiting, developing and retaining personnel who are outstanding in each of the areas in which we operate
- Regular consultation with our personnel regarding the process of quality improvement to ensure a positive and proactive culture within the business
- Continually reviewing and improving the effectiveness of our management system that meets the requirements of ISO 9001. This includes the establishment and review of measurable quality objectives, targets and plans that continually improve the way in which we conduct our business

This policy is to be:

- Communicated, understood and applied throughout the business
- Reviewed periodically to ensure it remains relevant and appropriate to our business
- Made available to employees and interested parties upon request and through its display in a prominent position at each location
